

Pricing

Effective July 01, 2003

Basic Charges

Setup

- \$1000 one time charge to setup the site and the initial load of data.

Storage

- \$0.10 /Mb of storage computed as a daily average of active documents only and billed monthly. Deleted documents are removed from storage calculations.

Users

- Billed monthly based on the highest number of concurrent users in a month, per the following schedule:
 - 1 user - \$200
 - 2 –5 users - \$350
 - 6-10 users - \$500
 - 10-20 users - \$750
 - Site license - \$1000

Example

| | Monthly Charge |
|--------------------|----------------|
| 40 Gb documents | \$4000 |
| 3 concurrent users | <u>\$ 350</u> |
| Monthly total | \$4350 |

Additional Charges

Download

- \$100 for high speed download to CD or DVD in the iConcepts data center.
- \$0.15/ page for formatting tiff output and creating Summation / Concordance / IPRO / etc. load files

Restore

- \$25/ document for restoring previously deleted documents up to a maximum of \$250 per occasion. Documents are then included in the daily storage calculation.
